Antekler, kabahan ka na."

That's all I said. Why? Because she is obviously a spox material, and she easily edges out AnteKler. If I were BI I'll hire her.

Ba't andami mo na sinabi?

See, I never uttered a single word about the lawyer's loo her voice, her accent, her makeup, or her mannerisms. Funny how you instantly filled in those blanks.

Why? Is that how you secretly view her? Do you find he pathetic? Do you think her makeup is a clownish or cak her loud voice grating to your ears, and does her accen make you cringe? Trying hard ba ang dating sa iyo?

Or do you think nakaka-insulto ba na madikit ang panga nya kay AnteKler?

If so, then that's all on you...

None of all those insults came from me. How convenien intellectually dishonest of you to pin them all down on r when that's your own internalized malice speaking.

I am only responsible for what I wrote, not on what YOU think and how others reacted.

And please, by all means, keep going:

Keep reminding everyone about what happened at Trico

Ipaalala nyo lang na'ng ipaalala kung paano kami binully bully and threatened with contempt and jail time ng mga admin-aligned lawmakers.

Ipaala nyo paulit ulit kung paano at bakit nagalit ang mg amo nyo matapos silang ma-lifestyle check sa social me at lumabas ang mga kalokohan sa GAA at ghost flood control projects.

Ipaalala nyo pa kung paano ko nilunok ang salitang "tan para lang hindi ako ikulong ng mga d*m*ny*ng nakabarc habang nasa deathbed ang dalawa ko'ng ina.

Oo, sa mga oras na yun, kahit pagpatay kay Lapu Lapu, aakuhin ko para lang makasama ko ang mga Nanay ko s huling sandali ng mga buhay nila at maihatid sila sa hulir hantungan. Kung katangahan yun sa tingin nyo, I'll take title any day than be a heartless, pathetic sycophant. Ma gugustuhin ko'ng matawag na tanga kesa ipagbili ang kaluluwa sa mga honorable diablo.

He told the BBC he was the oldest of nine children and met the constitutional age requirement. Then his passport and national ID revealed his real birth year was 2010.

Mahmud Sadis Buba was one of the most talked-about political aspirants in Nigeria this month. He claimed to be 30 years old, lived with dwarfism, and said he was running for a seat in the House of Representatives to represent youth and people with disabilities. He appeared confident at APC screening exercises and was photographed with President Bola Tinubu, Vice President Kashim Shettima, and Senate President Godswill Akpabio.

Then the documents leaked.

Official records from Nigeria's National Identity Management Commission showed that Buba's National Identification Number was linked to a birth date of August 27, 2010. That made him 15 years old at the time of his campaign, turning 16 in August 2026. His international passport and a hospital birth certificate confirmed the same date. A former teacher also came forward publicly and said he had taught Buba in junior secondary school, insisting the aspirant was only 16.

Before the documents surfaced, Buba had told the BBC Hausa service that his short stature and youthful face were due to a form of dwarfism that ran in his family. He said he was the oldest of nine children, had worked as a driver, and had the right to run for office under Nigeria's constitution, which requires candidates for the House of Representatives to be at least 25 years old. His supporters praised him as a symbol of inclusion, and he was named chairman of the "Tinubu-Uba Sani Agenda '27" support group.

After the documents went viral, a petition was filed with the APC appeals committee asking for his disqualification. Buba withdrew from the race on May 15, 2026, releasing a letter that framed his exit as a sacrifice for party unity. He did not admit to falsifying his age and said stepping down was not a sign of weakness.

His campaign had lasted just long enough to become one of the strangest political controversies of the year. A teenager had nearly become a candidate for Nigeria's National Assembly, and it took leaked passport records to stop h

Sen. Francis "Kiko" Pangilinan has criticized the Senate leadership for what he described as efforts to transform the chamber into a refuge for individuals evading arrest, amid a push by the majority bloc to allow virtual attendance and online voting in Senate proceedings.

These identical twin sisters finished first and second in their class in a school's 144-year history 😱

Adriana and Alyssa Lyons, 18-year-old identical twins from Tampa, Florida, graduated from the Academy of the Holy Names on May 19 as valedictorian and salutatorian respectively, becoming the first twins in the school's 144-year history to hold both top honors in the same graduating class.

The sisters have attended the Academy since kindergarten, and this wasn't even the first time they finished at the top together. When they graduated from eighth grade in 2022, they were co-valedictorian and co-salutatorian of that class too.

"Having my twin sister beside me throughout this journey has been incredibly special," Adriana told People magazine. "We have always pushed each other to work harder, dream bigger, and become better versions of ourselves."

Their academic success came from a dynamic that was equal parts rivalry and support. If one twin started studying the moment she got home, the other felt immediately inspired to do the same. The competition between them never turned bitter because the goal was never to beat each other. It was to become the best versions of themselves.

"I feel like sometimes people don't expect us to be smart," Alyssa said with a laugh.

Beyond academics, the sisters dedicated more than 500 hours each to community service, totaling over 1,000 hours between them. That included mission work in Guatemala during their junior year.

Jun 01, 2026 11:01:12

Together, they earned approximately $287,000 in scholarship

If I owned the lot, I'd charge a toll fee. Massive returns, zero meetings. DPWH gets a road, I get a cash cow. Sounds like a win-win-win to me. 🥳😉

A MESSAGE ON THE TAKING DOWN OF THE THIRD EPISODE OF YSPEAK 2.0 AND CEASING TO AIR OVER FREE TV

31 May 2026

Dear YSpeak Community and Friends,

Blessings of peace, joy, hope and love.

Many of you have shared your concerns about the removal of our third episode of YSpeak 2.0 aired last May 23. Thank you for your concern and honest expression of your thoughts and feelings, which I respect.

I wish to clarify that I, as the representative of Caritas Philippines, the producer of the show, was the one who asked that the episode be taken down. It was a difficult decision to make, but there are internal editorial guidelines and basic values of Caritas Philippines I needed to consider. Furthermore, there were other factors I had to take into consideration. I had discussed these with the people concerned.

2026-06-01 11:03:31

Today people were inquiring why the fourth episode was not aired in ALLTV2 on 30 May. Again, this was my decision in part due to the other considerations I referred to in the previous paragraph. The other consideration was to focus on and strengthen our online presence where most of the youth are.

YSpeak and YSpeak 2.0 were created to always be a safe space for the Filipino youth and will continue to strive to be such. Yes, we want our youth to have the platform to speak the truth with courage, but also to take all things into consideration. We are primarily a civics formation and education program and hope to be as inclusive as possible.

I spent time discussing these developments with our hosts and have given them a great part of the responsibility to discern and decide how to move forward learning from this experience. Two of the six could not attend the meeting and I was hoping to talk to them first before issuing a statement. We have been trying catch each other the past days, but our schedules could not match. They were both advised though of the discussions in the meeting with the four other

Again, thank you for your concern and honest expression. Please keep us in your prayers.

ANG BAKLANG TUMATAGOS SA LAMBAK

May mga pangalang parang aksidente lang sa birth certificate. May mga pangalang parang trip lang ng magulang. At may mga pangalang parang delayed punchline ng tadhana na sa una hindi mo gets, tapos years later, ay, kaya pala.

Percival.

Sinasabing mula ito sa lumang kahulugan na “pierce the valley” — tumagos sa lambak, humiwa sa gitna ng baba, dilim, hirap, at mga lugar na madalas iniiwan ng kapangyarihan.

Kaya pala Perci.

Hindi siya pangpatag na daan. Hindi siya pang-aircon na prinsipyo. Hindi siya activism na maganda lang sa poster, may konting rainbow, tapos out of office na after June 30.

Si Perci Cendaña — bakla, stroke survivor, activist, public servant, at mambabatas — ay isa sa mga taong hindi lang dumadaan sa lambak. Tumatagos siya.

Ngayong Pride Month, maraming gustong umeksena. May photoshoot, may campaign, may rainbow logo, may corporation na biglang inclusive kahit buong taon tahimik kapag may totoong discrimination. Okay lang. Salamat sa pa-ilaw. Pero kung may dapat i-spotlight ngayong Pride Month, walang mas bagay kaysa isang baklang hindi lang ginawang kulay ang Pride, kundi ginawang trabaho ang laban.

Si Perci ang klase ng lider na hindi kailangang piliting gawing relatable, kasi ang buhay niya mismo ang resibo.

Jun 01, 2026 11:14:39

Bago pa naging safe sabihin ang SOGIE, nandiyan na siya

Si Perci ang klase ng lider na hindi kailangang piliting gawing relatable, kasi ang buhay niya mismo ang resibo.

Bago pa naging safe sabihin ang SOGIE, nandiyan na siya. Bago pa naging brand-friendly ang inclusion, nandiyan na siya. Bago pa naging magandang caption ang human rights, nandiyan na siya. Hindi siya bagong saltang advocate na kakahanap lang ng ring light. Matagal na siyang nasa laban noong ang pagiging lantad na bakla sa liderato ay hindi pa aesthetic. Risk iyon. Target iyon. Minsan, punchline pa.

At sa pulitika natin, kapag walang maibato sa prinsipyo ng tao, ang binabato ay mukha.

May senador na ginawang katatawanan ang mukha niya. Ganoon kababa ang diskurso kapag nauubusan ng sagot ang mga sanay sa dahas. Ang isang stroke survivor ginawang punchline, as if public office is a comedy bar for insecure men with microphones.

Pero si Perci, imbes na sumabay sa putik, ibinalik ang usapan sa dapat pag-usapan: dignidad, ableism, accountability, at kung bakit ang bansang ito ang bilis pagtawanan ang may sugat pero ang bagal singilin ang may abuso.

Ang totoo, may mga taong mukha ang inaatake dahil argumento ang hindi nila kayang banggain.

Kaya ang sagot ni Perci, simple: “Sapakan ng ebidensya.”

Hindi sapakan ng ego. Hindi sapakan ng insulto. Hindi sapakan ng ngiwi-ngiti ng mga lalaking sanay manindak kapag hindi na makasagot. Sapakan ng ebidensya. Resibo laban sa yabang. Katotohanan laban sa character assassination. Public accountability laban sa public tantrum.

Doon mo makikita ang pagkakaiba.

Jun 01, 2026 11:14:44

May politikong allergic sa accountability. May politikong allergic sa facts. May politikong kapag tinanong mo ng matinong tanong, parang lumang computer sa internet cafe na biglang nagha-hang. Si Perci, kahit tinamaan ng insulto, hindi nagpaandar ng paawa tour. Hindi niya ginawang sentro ang sarili. Ibinalik niya ang issue sa mas malaking problema: ang kultura ng pulitikang nananakit kapag hindi na makasagot.

Kaya mahalaga ang kanyang pulitika.

Kapag nagsasalita siya laban sa political dynasties, hindi siya naglalaro. Kasi sa Pilipinas, ang dynasty parang family reunion na ginawang form of government. May mayor, may governor, may congressman, may party-list, may barangay, minsan kulang na lang may official family dog sa committee on treats.

Pero seryoso ito. Kapag iisang pamilya ang sabay-sabay at sunod-sunod na may hawak ng puwesto, nawawala ang tunay na pagpipilian ng tao. Ang eleksyon nagiging attendance check ng apelyido. Ang gobyerno nagiging mana. Ang serbisyo publiko nagiging family business.

Kaya tama si Perci: hindi dapat family matter ang pamumuno.

Hindi dapat nadadamay ang buong bansa sa Sunday lunch ng mga pamilyang ginawang negosyo ang kapangyarihan. Hindi dapat ang away, kasunduan, tampuhan, o ambisyon ng isang angkan ang nagdidikta ng direksyon ng bayan. Ang Pilipinas ay republika, hindi family group chat na may budget hearing.

Democracy cannot breathe when power is inherited like property.

Jun 01, 2026 11:14:49

Kapag pinag-uusapan naman niya ang SOGIE Equality, malinaw din siya: basic ito.

Hindi ito arte. Hindi ito special treatment. Hindi ito “gusto lang mauna sa pila.” Ang sinasabi lang: walang Pilipino ang dapat mawalan ng trabaho, edukasyon, tirahan, healthcare, government service, o basic respect dahil lang sa kanyang sexual orientation, gender identity, gender expression, o sex characteristics.

Basic.

Napaka-basic, nakakahiya nang kailangan pang ipaliwanag. Pero dahil sa Pilipinas, minsan ginagawang thesis defense ang karapatang pantao, kailangan pa ring may taong paulit-ulit na magpapaalala: equality before the law should include people whom society has trained itself to exclude.

Twenty-five years na halos ipinagkakait ang bare minimum. Pilipinas, ang bagal mo naman magmahal nang patas.

Kapag itinutulak niya ang Right to Care, simple ang puso ng panukala: kapag nasa ospital ka, dapat puwedeng kumilos ang taong tunay na nagmamahal sa iyo. Hindi lahat ng pamilya ay nasa apelyido. Hindi lahat ng nag-aalaga ay kadugo. Minsan ang tunay na pamilya ay iyong taong nandoon sa emergency room habang ang iba ay busy sa moral judgment.

Sabi nga ni Perci, ang Right to Care ay “life-saving” at “common sense.”

At doon ka mapapaisip: bakit sa bansang ito, pati common sense kailangan pang ipaglaban sa Kongreso? Kapag emergency na, hindi dapat apelyido ang unang hinahanap. Dapat malasakit. Hindi dapat gawing estranghero ang taong buong buhay nang nag-aalaga, nagmamahal, at nananatili.

Jun 01, 2026 11:14:54

That kind of [illegible] life. Hindi buhay na pang-sermon. Hindi buhay na nasa ideal family poster.

That kind of bill understands real life. Hindi buhay na pang-sermon. Hindi buhay na nasa ideal family poster. Totoong buhay: may nagmamahal, may nag-aalaga, may piniling pamilya, pero walang legal na boses kapag oras na ng krisis.

Kapag itinutulak niya ang Kian Bill, mas lalo mong makikita ang linaw ng kanyang pulitika.

“Imbes na dahas at bala,” ang sagot dapat ay care, health, treatment, rights, and support.

Hindi tokhang. Hindi listahan. Hindi kabaong. Hindi nanay na maghahanap ng anak sa punerarya. Hindi batang pinatay tapos pagod na pagod pa ang pamilya sa paghingi ng hustisya.

Ang Kian Bill ay paniningil.

Paalala ito na ang batang pinatay sa drug war ay hindi dapat manatiling hashtag, mural, o kandila tuwing anniversary. Kung seryoso tayo sa hustisya, dapat itong maging polisiya. Dapat maging sistema. Dapat maging proteksyon para hindi na maulit sa ibang Kian, ibang pamilya, ibang eskinita, ibang nanay na uuwi sa bahay na wala na ang anak.

Imbes na dahas at bala, batas at lingap.

Imbes na takot, serbisyo.

Imbes na patayan, pananagutan.

At kapag pinag-uusapan niya ang wealth tax at social protection, naroon pa rin ang parehong prinsipyo: “Kailangan nating magdamayan.”

Pero hindi iyong magdamayan na ang mahirap lang lagi ang nag-aadjust habang ang pinakamayaman ay inspirational quote lang ang ambag. Magdamayan means those with more should contribute more. Hindi charity ang hinihingi sa

Jun 01, 2026 11:14:59

Pero hindi iyong magdamayan na ang mahirap lang lagi ang nag-aadjust habang ang pinakamayaman ay inspirational quote lang ang ambag. Magdamayan means those with more should contribute more. Hindi charity ang hinihingi sa pinakamayaman. Ambag sa bansang tumulong magpayaman sa kanila.

Solidarity is cute until the richest are asked to pay. Doon nagkakaalaman.

Kaya kapag tiningnan mo ang pulitika ni Perci, malinaw ang direksyon: protektahan ang tinataboy, pakinggan ang pinapatahimik, bantayan ang makapangyarihan, at gawing batas ang malasakit na may ngipin.

Malasakit na may budget, may policy, may accountability, may malinaw na target, at may lakas na humarap sa mga sanay maghari-harian sa dilim.

Iyon ang dahilan kung bakit dapat mas marami pang makakilala sa kanya.

Because he represents a kind of politics we badly need: matalas pero hindi cruel, principled pero hindi boring, progressive pero may laman, bakla pero hindi humihingi ng permiso para maging makapangyarihan.

Si Perci ang paalala na ang bakla ay hindi lang pangpatawa sa pelikula, hindi lang stylist sa teleserye, hindi lang best friend ng bida, hindi lang punchline ng insecure na lalaki.

Ang bakla puwedeng maging mahusay na mambabatas.

Puwedeng magbantay ng demokrasya.

Puwedeng humarap sa Kongreso.

Puwedeng magsulat ng polisiya.

Jun 01, 2026 11:15:03

Puwedeng magsabi ng “sapakan ng ebidensya” sa mga sanay sa sapakan ng yabang.

Puwedeng magsabing basic ang equality sa bansang ginagawang complicated ang respeto.

Puwedeng magsabing common sense ang care sa lipunang minsan mas mabilis pang kumilala ng power trip kaysa pagmamahal.

Puwedeng magsabing imbes na dahas at bala, buhay ang unahin.

Puwedeng magdala ng sugat at dangal sa parehong katawan.

Puwedeng maging mas matapang kaysa sa mga lalaking ang tapang ay hanggang mikropono lang.

Percival: pierce the valley.

Ang ganda, di ba?

Dahil ang lambak sa Pilipinas, hindi lang lupa. Lambak ang kahirapan. Lambak ang takot. Lambak ang diskriminasyon. Lambak ang ospital na hindi kinikilala ang taong mahal mo. Lambak ang pamilya ng drug war victim na naghihintay pa rin ng hustisya. Lambak ang kabataang bakla na akala niya wala siyang lugar sa mundo. Lambak ang botanteng napapaligiran ng dinastiya. Lambak ang mamamayang sanay nang nilalait ng makapangyarihan.

At si Perci, sa kanyang sariling paraan, tumatagos.

Hindi palaging maingay. Hindi palaging theatrical. Hindi palaging viral. Pero tumatagos.

Tumatagos sa lumang paniwala na ang bakla ay dapat nasa gilid lang. Tumatagos sa dahas na ginawang governance strategy. Tumatagos sa political dynasties na

Jun 01, 2026 11:15:08

Tumatagos sa lumang paniwala na ang bakla ay dapat nasa gilid lang. Tumatagos sa kultura ng dahas na ginawang governance strategy. Tumatagos sa political dynasties na ginawang private subdivision ang public office. Tumatagos sa sistema ng batas na matagal nang hindi kinikilala ang chosen families. Tumatagos sa ekonomiyang humihingi ng sakripisyo sa mahirap pero lambing sa mayaman. Tumatagos sa lipunang sanay gawing tahimik ang mga taong dapat pinakikinggan.

Kaya ngayong Pride Month, habang maraming ilaw, kulay, at poster, sana may spotlight na tumama sa kanya.

Hindi dahil kailangan niyang pagandahin ang Pride.

Kundi dahil pinapaalala niya kung bakit may Pride.

Para sa dignidad.

Para sa karapatan.

Para sa mga buhay na hindi dapat tinatawanan, tinatapakan, o tinatanggalan ng boses.

At kung may hindi pa rin gets, simple lang:

Si Perci Cendaña ang baklang tumatagos sa lambak.

At sa bansang punong-puno ng lambak, kailangan natin ng mas maraming tulad niya.

TIME TO STEP DOWN?

Senate President Alan Peter Cayetano should consider stepping down for the good of the chamber, as his combative leadership style appears to be fueling a gridlock that threatens to render the Senate useless, former Senate president Aquilino Pimentel III said yesterday.

While not framed as a demand, Pimentel said Cayetano should resign given the fact that the chamber could no longer accomplish anything under his leadership.

Naku, mga Duterte majority senators, huwag niyong pagkatiwalaan si SP Cayetano.

Kung ano mang na pangako niya sa inyo, madali rin niyang bawiin.
Ginawa na rin niya ito dati. Nung ayaw niyang sundan ang kasunduan na time sharing sa Speakership. Isang kasunduan na mismo si PRRD ang bumuo nung 2019.

At yung guluhin ang Congreso? Yung mga "acts of violence" kuno?! Naku, ginawa niya na rin niya lahat yan noon!

Mga majority senators, kung kaya talikuran ni Cayetano si PRRD at mga Duterte noon, sino pa ba namang kayong mga senador lang?!
Patalsikin niyo na si Alan Peter!

TLC NI INDAY PROJECT GINPANGAPINAN NI MAYOR TREÑAS

Ginpangapinan ni Mayor Raisa Trenñas ang proyekto nga TLC ni Inday.

Suno kay Treñas ang isa ka generic nga tinaga ang Inday sa tagsa ka pamilya.

“Ang Inday is a generic name. In a family here in Iloilo, kada pamilya diri sa Iloilo may Inday, may Nene, may Toto, may Nonoy. Sa amon pamilya magulang gid ang Inday, next ang magulang nga lalaki amo ang Toto. Si papa ko kay sa pamilya basta ikaduha ka Nonoy. Ko lalaki ka nga magulang tawag ka bga Toto. Sa inyo pamilya kon may magulang ka nga babay tawag ninyo Inday,” ang paathag ni Treñas.

Pahayag pa sang alkalde nga ang programa nagasentro sa mga kababaehan.

“But this one is specifically for women, mga Inday. Di bala may kanta gani nga Inday?” ang dugang pa sang alkalde.

Ginhimo ni Treñas ang pahayag matapos ginapareview sang isa ka abogado sa Dep’t. of Interior and Local Government (DILG) ang livelihood program sang syudad nga TLC ni Inday sa posibilidad sang paglapas sang anti epal memorandum sang ahensya.

Samtang ginpasalig ni Treńas nga magapadayun ang programa kag pasangkadon pa agud mas madamo ang makabenepisyo.

In case you missed it, Vietnamese President To Lam cancelled his meeting today with Senate President Alan Peter Cayetano. No reason was given.

Now the thing is, heads of state almost never cancel high-level meetings casually, especially during a tightly choreographed two-day state visit. Every appearance is planned weeks in advance. Which is why it's normal to immediately start reading between the lines.

One plausible reason is simply diplomatic optics.

Right now, our Senate is going through an unusually turbulent period. There are ongoing questions about Senate leadership, internal power struggles, investigations, and public controversies surrounding the chamber.

For a foreign leader like To Lam, meeting the Philippine President is unavoidable because that's state-to-state diplomacy. But meeting the Senate President is more discretionary.

If Vietnamese diplomats sensed that the political situation around Alan Peter Cayetano was becoming fluid or controversial, they may have decided that appearing alongside him carried unnecessary political risk. Diplomats are trained to avoid accidentally being interpreted as taking sides in another country's domestic power struggle.

Another possibility is that Vietnam may simply be prioritizing substance over ceremony. The real agenda of To Lam's visit appears heavily focused on trade, food security, maritime cooperation, defense, and regional security.

If time became constrained, the Vietnamese side may have decided that meetings with Malacañang, defense officials, economic agencies, and business groups were more strategically important than a courtesy call with Senate leadership.

If time became constrained, the Vietnamese side may have decided that meetings with Malacañang, defense officials, economic agencies, and business groups were more strategically important than a courtesy call with Senate leadership.

But the more intriguing possibility is symbolic signaling.

Vietnam is one of the most pragmatic governments in Asia. Their foreign policy tends to be highly transactional and stability-oriented. They often pay close attention to who actually holds durable power and institutional influence.

If Vietnamese officials perceive that Philippine political alignments are still shifting, they may prefer to wait before investing diplomatic capital into particular personalities.

In diplomacy, cancellation itself can sometimes be the message. Not an insult nor a declaration. Just a subtle way of saying, "We'd rather watch first."

There's also the possibility that the reason has absolutely nothing to do with Alan Peter Cayetano. State visits are logistical nightmares. Security issues, schedule compression, sensitive bilateral discussions, last-minute negotiations, intelligence briefings, or even changes in travel timing can wipe out meetings with little explanation.

Yet the simple reason this is attracting attention is because it happened against the backdrop of Senate instability.

If the Philippine Senate were completely calm and business-as-usual, most people would probably dismiss it as a scheduling issue.

But because the Senate is currently surrounded by leadership drama, investigations, and questions about its direction, people naturally start wondering whether foreign governments are quietly factoring those developments into how they engage the institution.

And in diplomacy, perception often matters almost as much as reality.

Alam n'yo, at the end of the day, sana matuto ulit ang Senado na mag-away sa prinsipyo, hindi sa personalan.

Naalala ko si Sen. Miriam Defensor Santiago sa isang interview. Sabi niya, hindi puwedeng anim na taon magkakagalit ang mga senador dahil para silang magkakaklase. Araw-araw magkikita, araw-araw magtatrabaho, araw-araw haharap sa parehong bayan na nanonood kung may saysay pa ba ang institusyong ito.

Ngayon lang ako nakakita ng Senado na ganito katindi ang personalan. Hindi lang sa plenaryo. Hindi lang sa hearing. Pati sa social media, parang may kanya-kanyang kampo na handang sunugin ang pagkatao ng isa't isa para manalo sa narrative.

Nakakatakot, kasi ang Senado dapat ang lugar ng matatalas na tanong, hindi ng maliliit na ego. Dapat banggaan ng argumento, hindi ubusan ng dignidad. Dapat mas mataas ang interes ng Republika kaysa sa galit, tampo, alyansa, at online applause.

Hindi kailangang magkaibigan ang lahat. Public office is not a barkada system. Pero kailangan nilang kayaning magtrabaho kahit hindi magkakampi. Kailangan nilang magdebate nang mabigat, mag-imbestiga nang seryoso, at managot nang walang personal na vendetta.

Kasi habang abala sila sa pagpapalakas ng kampo, may Pilipinong naghihintay ng batas, trabaho, ayuda na hindi patronage, ospital, classroom, sahod, at gobyernong may utak.

Sana maalala nila: ang Senado ay hindi extension ng social media war room. Institusyon ito ng Republika.

Mag-away kayo kung kailangan. Pero sana para sa bayan, hindi para sa ego.

GOD FIRST ON JUNE FIRST

June 1 is more than simply the beginning of a new month—it is another opportunity to begin again with God at the center of our lives. As we welcome June, may our first priority not be our worries, ambitions, schedules, or material goals, but our relationship with the Lord. “God first on June first” is a beautiful reminder that everything becomes lighter, clearer, and more meaningful when we place God above all else.

Starting the month with God means entrusting to Him every plan, dream, and uncertainty. We may not know what June will bring, but we know that the Lord goes before us. He already sees the paths we will walk, the struggles we may face, and the blessings waiting for us. That is why we begin this month not with fear, but with faith.

June is also dedicated to the Most Sacred Heart of Jesus. The Sacred Heart symbolizes Christ’s deep and unconditional love for humanity—a Heart filled with mercy, compassion, patience, and forgiveness. In a world filled with noise, distractions, and anxieties, the Sacred Heart invites us to return to Jesus, to rest in Him, and to trust that His love will sustain us through every season of life.

Putting God first this June can be done in simple yet meaningful ways: beginning the day with prayer, attending Holy Mass faithfully, reading Scripture, praying the Rosary, forgiving others, helping those in need, and choosing kindness even when it is difficult. Holiness is often found in ordinary daily acts done with extraordinary love for God.

As we enter this new month, may we allow God to lead our decisions, shape our hearts, and guide our journey. May June become a month of spiritual renewal, healing, peace, and deeper devotion. Whatever happened in the previous months, June reminds us that God continuously gives us fresh beginnings and new mercies every day.

May the Sacred Heart of Jesus reign in our hearts, our homes, and our lives throughout this month and beyond. ❤️

Sen. Raffy Tulfo said he is willing to place a bet that Senate President Alan Peter Cayetano will not step down from his position despite calls for him to resign from the Senate leadership.

However, in an interview with DZBB, Tulfo said Cayetano would be considered a “hero” if he voluntarily relinquishes the post for the sake of the Senate and to help restore the institution’s credibility.

Jed Mabilog's accumulated hatred, anger and insecurity towards the RISE program of the city government is given. There is no known cure to it.

However, Jed Mabilog must always remember:

That DILG is a non-partisan, non-political national government agency.

As undersecretary, Jed Mabilog should remain impartial and apolitical.

His continuing affiliation with Mango Jam's political party and his premature election campaign is a blatant violation of the administrative code of the Philippines, civil service rules and regulations and the code of conduct of public officials.

'HINDI AKO TRAYDOR'

BASAHIN: Umalma si Sen. Robin Padilla sa mga paratang na siya ay isang traydor, at iginiit na ang kanyang paninindigan ay nakatuon sa pagtatanggol sa soberanya ng Pilipinas at sa pagtutol sa anumang umano'y pakikialam ng mga dayuhan sa mga usapin ng bansa.

Pinabulaanan din ni Padilla ang mga alegasyon na ang kamakailang pagbabago sa liderato ng Senado ay may layuning maimpluwensyahan ang impeachment case laban kay Vice President Sara Duterte.

PRESS RELEASE
1 HUNYO 2026
Office of Senator Robinhood Padilla

SEN. ROBIN PADILLA: "HINDI AKO TRAYDOR. ANG IPINAGLALABAN KO AY ANG SOBERANYA NG PILIPINAS."

Mariing itinanggi ni Senator Robinhood "Robin" C. Padilla ang mga paratang na siya ay isang traydor dahil sa kanyang matatag na paninindigan laban sa pakikialam ng mga dayuhan sa mga usaping pambansa.

"Hindi ako traydor sa Pilipinas. Ang tanong ko: sino ba talaga ang traydor? Ang tumitindig para sa kalayaan at soberanya ng kanyang bayan, o ang handang ipaubaya sa dayuhan ang paghusga at pagdidikta sa mga Pilipino?" ani Padilla.

Binigyang-diin ng senador na ang kanyang posisyon ay hindi pagtatanggol sa sinumang personalidad kundi pagtatanggol sa karapatan ng Pilipinas na pamahalaan at husgahan ang sarili nitong mamamayan sa ilalim ng sariling mga batas at institusyon.

Nilinaw rin ni Padilla na walang kaugnayan sa impeachment proceedings ang naging pagbabago sa liderato ng Senado.

"Kapag nakarating sa Senado ang impeachment, walang makakapigil diyan. Malinaw sa Konstitusyon at sa Rules ng Senado na kailangan kaming mag-convene bilang impeachment court," aniya.

Ayon kay Padilla, ang naging pagbabago sa liderato ay may kaugnayan sa layuning mapalakas ang paggana ng Blue Ribbon Committee at maisulong ang mga imbestigasyong hinihingi ng publiko.

"Hindi po ginawa ang leadership change para sa impeachment. Ginawa po namin iyon para sa Blue Ribbon Committee, upang malaman ng taumbayan ang katotohanan at upang masiguro na may pananagutan ang mga dapat managot," paliwanag niya.

Iginiit ng senador na ang kanyang paninindigan ay nakaugat sa pagmamahal sa bayan at sa paggalang sa sakripisyo ng mga Pilipino at Bangsamoro na nagbuwis ng buhay para sa kalayaan ng bansa.

"Hindi natin isusuko ang ating soberanya. Napakaraming Pilipino ang lumaban at nagsakripisyo para sa bansang ito. Ang pagtatanggol sa kalayaan ng Pilipinas ay hindi pagtataksil—ito ay tungkulin."

FEASTS & SOLEMNITIES FOR THE MONTH OF JUNE

June is truly a grace-filled month in the life of the Church. As the month dedicated to the Most Sacred Heart of Jesus, it is filled with beautiful celebrations that deepen our faith and remind us of God's love, mercy, and presence in our lives. Here are some of the important feasts and solemnities we celebrate this June:

June 7 — Corpus Christi (Solemnity)
The Solemnity of Corpus Christi honors the Real Presence of Jesus Christ in the Holy Eucharist—His Body, Blood, Soul, and Divinity. This celebration reminds us that the Eucharist is the source and summit of Christian life. Jesus truly remains with us in every Holy Mass and in every consecrated Host.

June 12 — Most Sacred Heart of Jesus (Solemnity)
One of the most beloved celebrations in the Church, this solemnity honors the loving Heart of Jesus, overflowing with mercy, compassion, and forgiveness. The Sacred Heart reminds us of Christ's infinite love for humanity and calls us to trust in Him completely.

June 13 — Immaculate Heart of Mary (Memorial)

June 13 — Immaculate Heart of Mary (Memorial)
Celebrated the day after the Sacred Heart of Jesus, this memorial honors the pure and loving heart of the Blessed Virgin Mary. Her Immaculate Heart points us always toward her Son and teaches us how to love God faithfully and wholeheartedly.

June 13 — St. Anthony of Padua (Feast)
Known as the "Wonder Worker" and patron saint of lost things, Saint Anthony of Padua remains one of the most beloved saints in the Church. He is remembered for his holiness, powerful preaching, and deep knowledge of Scripture.

June 24 — Nativity of St. John the Baptist (Solemnity)
This solemnity celebrates the birth of John the Baptist, the one chosen by God to prepare the way for Jesus. His life reminds us of humility, repentance, courage, and faithful witness to Christ.

June 27 — Mother of Perpetual Help (Feast)
A beloved Marian devotion celebrated by many Catholics worldwide, especially in the Philippines. Under the title of Our Mother of Perpetual Help, Mary reminds us that she continually intercedes for her children and leads us closer to Jesus.

June 29 — Saints Peter and Paul (Solemnity)
This solemnity honors Saint Peter and Saint Paul, two great pillars of the Church who dedicated their lives to preaching the Gospel. Their courage, faith, and martyrdom continue to inspire Christians around the world.

May this month of June draw us closer to Jesus through the Eucharist, the Sacred Heart, the Blessed Virgin Mary, and the inspiring witness of the saints. Let us celebrate these sacred days with prayer, devotion, Holy Mass, and renewed faith.

Susundin ng CIDG ang utos ng korte sakaling maglabas ito ng warrant of arrest laban kay Sen. Jinggoy Estrada, kahit pa siya ay mapasailalim ng protective custody ng Senado.

Ayon kay CIDG Director PMGen. Robert Morico, hindi maaaring arestuhin ang isang senador habang may sesyon ang Kongreso kung ang kasong kinahaharap ay may kaparusahang anim na taong pagkakakulong o mas mababa.

Gayunman, nahaharap si Estrada sa kasong plunder na hindi saklaw ng naturang parliamentary immunity. | via Karen De Guzman, ABS-CBN News

Karl-Anthony Towns' first pregame fit as a member of the Knicks was a throwback 1999 Finals shirt with the Knicks and Spurs on it 👀🏆

Now, two years later, he'll be playing in that exact Finals matchup himself.

Pretty cool coincidence 🔥

Paris Saint-Germain won back-to-back Champions League trophies by beating Arsenal on penalties in a dramatic final at the Puskás Aréna in Budapest, Hungary, on Saturday.

Arsenal defender Gabriel Magalhaes fired the last of his team's penalties over the bar to hand PSG a 4-3 shootout victory.

Lucas Beraldo scored the last of PSG's spot kicks, meaning Gabriel had to convert to take it to sudden death. But he blasted high over the bar to spark celebrations from PSG players and fans. https://abcnews.link/Q2rhSCC

Tensions continued outside Newark's Delaney Hall immigration detention center after New Jersey officials imposed an overnight curfew following days of protests and confrontations. Governor Mikie Sherrill said late-night agitators had escalated tensions and ordered state police to take control of security around the facility, while Newark Mayor Ras Baraka established a nightly curfew in the surrounding area.

State police set up protected protest zones after clashes between demonstrators and federal agents. The protests come amid allegations by detainees of inhumane conditions, prompting labor and hunger strikes inside the facility. Homeland Security officials have denied the allegations, while Sherrill said her priority is maintaining public safety and ensuring peaceful protests.

I am giving instructions to the Senate secretary to put on hold my salary. Personal kong pasya ito upang ipakita sa sambayanang Pilipino na wala akong intensyon makinabang sa pondo ng bayan habang nililinis ko ang aking pangalan.
At higit sa lahat, hindi ako pasasailalim ng kustodya ng Senado... Hindi ko gagamitin ang Senado bilang panangga laban sa mga alegasyon sa akin. Kalokohan ang lahat na ito!
I will be proceeding now to the CIDG to voluntarily surrender myself. Maraming salamat po.

Jed Mabilog's accumulated hatred, anger and insecurity towards the RISE program of the city government is given. There is no known cure to it.

However, Jed Mabilog must always remember:

That DILG is a non-partisan, non-political national government agency.

As undersecretary, Jed Mabilog should remain impartial and apolitical.

His continuing affiliation with Mango Jam's political party and his premature election campaign is a blatant violation of the administrative code of the Philippines, civil service rules and regulations and the code of conduct of public officials.

I will once again exhaust administrative remedies to deter Jed Mabilog from using the DILG to advance his political interest.

PINAARESTO SI SEN. JINGGOY

Naglabas na ng warrant of arrest ang Sandiganbayan Fifth Division laban kay Sen. Jinggoy Estrada ngayong Lunes, June 1.

Kaugnay ito ng non-bailable na kasong plunder bunsod ng pagtanggap umano ng senador ng flood control kickbacks.

"GUSTO NILA SUMAMA KAMI SA BOYCOTT, PATAHIMIKIN ANG SENADO AT GAMITIN ANG MINORITY PARA MANATILI ANG SENATE PRESIDENT SA PUWESTO HABANG INIIWASAN ANG TUNAY NA TEST OF NUMBERS SA FLOOR"

Ginkondenar sang Senate minority ukon Solid Bloc 11 (SB 11) ang pag-boycott sang majority bloc sa session sang Senado subong nga adlaw, Hunyo 1.

Suno sa minorya, wala lang sang bisan "courtesy" ukon "basic decency" ang majority sa pagpahibalo nga wala sila sang intensyon nga mag-convene sini nga hapon.

Sa joint statement sang minority senators, ginpahayag nga ini ang una nga tion sa sulod sang dinekada nga wala nag-obra ang Senado bangud wala nag-abot ang presiding officer.

Bisan sa tion nga may bagyo kag may pandemya suno sa minority, gin-suspend lamang ang trabaho bangud sang "necessity" ukon bangud kinahanglan pa i-set up ang sistema, apang indi bangud nagpili ang liderato nga mag-boycott.

“This is a boycott because of the arrest of ada, and the public should not be asked to believe another convenient line

2026-06-01 21:37:11

"This is a boycott because of the arrest of Senator Jinggoy Estrada, and the public should not be asked to believe another convenient line from a leadership that has repeatedly twisted the truth," suno pa sa joint statement sang minority.

"Sa totoo lang, ang gusto nila ay kampihan, hindi prinsipyo. Gusto nila sumama kami sa boycott, patahimikin ang Senado at gamitin ang minority para manatili ang Senate President sa puwesto habang iniiwasan ang tunay na test of numbers sa floor," dugang pa nila.

Bangud sang amo nga hitabo subong nga adlaw, wala man sang sesyon gani nga wala man sang may na-obra ang mga senador sa masunod nga mga hagna:

+ Magna Carta of Barangay Health Workers
+ Anti-Hospital Detention Bill
+ Confirmation of generals before the Commission on Appointments
+ Bills granting Philippine citizenship to athletes Bennie Boatwright III and Matthew James Ramos

Ginbilin man sang minority ang pamangkot kun ano naman ayhan ang himuon sang majority sa masunod nga duha ka session days.

"The question now is just as serious: will they do this again for the next two session days, and will they keep the Senate idle simply to avoid facing the numbers on the floor?," kabahin pa sang joint statement.

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
The Solid Bloc 11 minority senators were present today for the 5 p.m. resumption of session, ready to work, ready to vote on pending bills and ready to keep the Senate running, but the majority led by SP Cayetano chose not to show up.
They did not even have the courtesy to inform us when they ignored the rules, and could not extend the basic decency of telling the minority that they had no intention of convening.
Let us focus on the work, because the Senate has serious business before it, and if the majority wants to protest, deliver privilege speeches or defend its position, the proper place to do that is on the floor, not by making the chamber stand still.

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
Ang Senado ay hindi pag-aari ng iisang may hawak ng gavel. Institusyon ito ng taumbayan at napakadaming mahalagang panukala ang nabibinbin dahil sa drama ng mayorya.
Important measures were left hanging because of the majority's boycott, including the Magna Carta of Barangay Health Workers, the Anti-Hospital Detention Bill, the confirmation of generals before the Commission on Appointments and the bills granting Philippine citizenship to Bennie Boatwright III and Matthew James Ramos.
Let us call this for what it is: the claim that this is about Senate independence is false, because what happened today was about the rule of law, public accountability and a lawful process before the Ombudsman and the Sandiganbayan that no senator, no bloc and no presiding officer controls.

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
This is a boycott because of the arrest of Senator Jinggoy Estrada, and the public should not be asked to believe another convenient line from a leadership that has repeatedly twisted the truth.
Today was a step toward accountability in a controversy that the public has long demanded action on, and after years of people asking why nothing is happening in flood control investigations, it is unacceptable to suddenly call the rule of law an attack on the Senate.
Is Senate President Alan Cayetano now questioning the rule of law?

Nanawagan si Senate President Alan Peter Cayetano ng pagkakaisa mula sa minorya sa gitna ng mga isyung kinasasangkutan ng Senado.

SP ALAN PETER CAYETANO'S MESSAGE TO THE MINORITY BLOC

The Senate is a co-equal branch of government. It is not a prize to be claimed — by anyone. Events of the past few days may have blurred this distinction, but what happened with one of our colleagues today brings it sharply back into focus.

That we differ on the leadership of the Senate is not in question. And it is a fair point of discussion. But no matter our disagreements, we must all agree that it is the Senate's own business to settle. This chamber answers to GOD and the people who sent us here, and to no one outside these walls.

That line is now being tested. This is not an accusation. I am speaking truth that each senator already knows — the independence of this institution, and the legal standing of any of its members, are not currencies. The day they become things to be traded, is the day that the Senate is diminished. And after the Senate, the Republic.

So I put one question to you, not as the majority but as the chamber: will you stand for the Senate's independence?

I am asking you to join one deliberate act — to let the Senate go quiet, together and by choice, so the country is made to ask why a co-equal branch would fall silent rather than be made to serve.

The door is open. What you do with it is yours to answer — to this institution, and to the people watching it.

Simple lang ang tanong: Kung walang itinatago, bakit ayaw ng trial?

Malinaw sa Konstitusyon: "The Senate shall have the sole power to try and decide all cases of impeachment."

Ibig sabihin, hindi puwedeng hatol muna bago trial. Kung nais malaman ang katotohanan, dapat munang marinig ang mga testigo at masuri ang lahat ng ebidensya sa isang bukas at patas na pagdinig.

Sundin ang Konstitusyon.
Sundin ang due process.... **See more**

BEST ACTRESS YARN?

Tila gustong kabugin ni Camille Villar ang pagiging Drama Queens nina Pia Cayetano at Loren Legarda sa Senado.

Buena mano kasi sa pagsisimula ng Hunyo ang paglabas ng warrant of arrest ni Jinggoy Estrada hinggil sa isyu ng plunder—isang kasong non-bailable.

Sa video na inilabas ni Victoria Tulad ng ABS-CBN News, makikita ang emosyonal na si Camille habang sinasamahan si Jinggoy sa pagsuko nito.

Alan Peter Cayetano should resign as Senate President.

Sa loob lang ng ilang linggo, ang Senado sa ilalim ng liderato niya ay hindi na mukhang mataas na institusyon ng Republika. Mukha na itong badly managed group chat na may budget, staff, aircon, security, livestream, at araw-araw na bayad mula sa buwis ng Pilipino.

Una, nagkaroon ng leadership coup. Naupo si Cayetano sa pamamagitan ng manipis na numero. Sige, politics is numbers. Pero ang tunay na liderato hindi natatapo... **See more**

CAYETANO'S LEADERSHIP NOW HINGES ON A DEADLOCKED CHAMBER

The Senate has slipped into a razor-thin 11–11 balance as of Monday, June 1, after the arrest of Senator Jinggoy Estrada and the continued absence of Senator Ronald "Bato" dela Rosa, who remains in hiding amid an International Criminal Court arrest warrant.

Estrada's removal from active duty and Dela Rosa's non-attendance effectively wiped out two key majority votes, stripping the bloc of its numerical advantage and l... **See more**

The chamber was not able to hold its plenary session after none from the senators of the majority bloc showed up. Earlier, they were seen together with Senator Jinggoy Estrada who was arrested following an arrest warrant from the Sandiganbayan.

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
Ang Senado ay hindi pag-aari ng iisang may hawak ng gavel. Institusyon ito ng taumbayan at napakadaming mahalagang panukala ang nabibinbin dahil sa drama ng mayorya.
Important measures were left hanging because of the majority's boycott, including the Magna Carta of Barangay Health Workers, the Anti-Hospital Detention Bill, the confirmation of generals before the Commission on Appointments and the bills granting Philippine citizenship to Bennie Boatwright III and Matthew James Ramos.
Let us call this for what it is: the claim that this is about Senate independence is false, because what happened today was about the rule of law, public accountability and a lawful process before the Ombudsman and the Sandiganbayan that no senator, no bloc and no presiding officer controls.

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
The Solid Bloc 11 minority senators were present today for the 5 p.m. resumption of session, ready to work, ready to vote on pending bills and ready to keep the Senate running, but the majority led by SP Cayetano chose not to show up.
They did not even have the courtesy to inform us when they ignored the rules, and could not extend the basic decency of telling the minority that they had no intention of convening.
Let us focus on the work, because the Senate has serious business before it, and if the majority wants to protest, deliver privilege speeches or defend its position, the proper place to do that is on the floor, not by making the chamber stand still.

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
Sa totoo lang, ang gusto nila ay kampihan, hindi prinsipyo. Gusto nila sumama kami sa boycott, patahimikin ang Senado at gamitin ang minority para manatili ang Senate President sa puwesto habang iniiwasan ang tunay na test of numbers sa floor.
This may be the first time in decades that Senate work stopped because the presiding officer himself refused to work, because even during typhoons and the height of the pandemic, work was suspended only because of necessity or because systems still had to be set up, not because the leadership chose a boycott of duty.
The public has every right to ask whether SP Cayetano is repeating what he did in the House of Representatives, when questions were raised about a leader refusing to step aside, refusing to convene and holding up proceedings when the numbers were no longer certain.

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
This is a boycott because of the arrest of Senator Jinggoy Estrada, and the public should not be asked to believe another convenient line from a leadership that has repeatedly twisted the truth.
Today was a step toward accountability in a controversy that the public has long demanded action on, and after years of people asking why nothing was happening in flood control investigations, it is unacceptable to suddenly call the rule of law an attack on the Senate.
Is Senate President Alan Cayetano now questioning the rule of law?

SOLID BLOC 11: THIS IS NOT SENATE INDEPENDENCE BUT A BOYCOTT OF DUTY
The question now is just as serious: will they do this again for the next two session days, and will they keep the Senate idle simply to avoid facing the numbers on the floor?
The Senate should open its doors, call the session to order and return to work, because no Facebook post, no appeal to institutional pride and no political drama can erase the basic duty of senators to show up, follow the law and serve the people.
And lastly, we call on the Filipino people to watch the Senate closely, because when an institution refuses to work, public vigilance becomes the people's first line of defense.

Ayon sa Palasyo, dumaan sa tamang proseso ang mga kaso ni Senador Jinggoy Estrada sa Ombudsman at walang kapangyarihan ang pangulo para pangunahan ang naturang institusyon.

JUNE IS ALSO DEDICATED FOR ALL FATHERS

June is a beautiful and meaningful month for many reasons. In the Catholic Church, June is dedicated to the Most Sacred Heart of Jesus, reminding us of Christ's boundless love, mercy, compassion, and sacrifice for humanity. At the same time, June is also a special month to honor and appreciate all fathers through the celebration of Father's Day.

Senate independence is false, because what happened today was about the rule of law, public accountability and a lawful process before the Ombudsman and the Sandiganbayan that no senator, no bloc and no presiding officer controls.
This is a boycott because of the arrest of Senator Jinggoy Estrada, and the public should not be asked to believe another convenient line from a leadership that has repeatedly twisted the truth.
Today was a step toward accountability in a controversy that the public has long demanded action on, and after years of people asking why nothing was happening in flood control investigations, it is unacceptable to suddenly call the rule of law an attack on the Senate.
Is Senate President Alan Cayetano now questioning the rule of law?
Sa totoo lang, ang gusto nila ay kampihan, hindi prinsipyo. Gusto nila sumama kami sa boycott, patahimikin ang Senado at gamitin ang minority para manatili ang Senate President sa puwesto habang iniiwasan ang tunay na test of numbers sa floor.

stopped because the presiding officer himself refused to work, because even during typhoons and the height of the pandemic, work was suspended only because of necessity or because systems still had to be set up, not because the leadership chose a boycott of duty.
The public has every right to ask whether SP Cayetano is repeating what he did in the House of Representatives, when questions were raised about a leader refusing to step aside, refusing to convene and holding up proceedings when the numbers were no longer certain.
The question now is just as serious: will they do this again for the next two session days, and will they keep the Senate idle simply to avoid facing the numbers on the floor?
The Senate should open its doors, call the session to order and return to work, because no Facebook post, no appeal to institutional pride and no political drama can erase the basic duty of senators to show up, follow the law and serve the people.
And lastly, we call on the Filipino people to watch the Senate closely, because when an institution refuses to work, public vigilance becomes the people's first line of defense.

MINORITY BLOC'S MESSAGE TO THE MAJORITY BLOC

The Solid Bloc 11 minority senators were present today for the 5 p.m. resumption of session, ready to work, ready to vote on pending bills and ready to keep the Senate running, but the majority led by SP Cayetano chose not to show up.

They did not even have the courtesy to inform us when they ignored the rules, and could not extend the basic decency of telling the minority that they had no intention of convening.

Let us focus on the work, because the Senate has serious business before it, and if the majority wants to protest, deliver privilege speeches or defend its position, the proper place to do that is on the floor, not by making the chamber stand still.

Ang Senado ay hindi pag-aari ng iisang may hawak ng gavel. Institusyon ito ng taumbayan at napakadaming mahalagang panukala ang nabibinbin dahil sa drama ng mayorya.

Important measures were left hanging because of the majority's boycott, including the Magna Carta of Barangay Health Workers, the Anti-Hospital Detention Bill, the confirmation of generals before the Commission on Appointments and the bills granting Philippine citizenship to Bennie Boatwright III and Matthew James Ramos.

This may be the first time in decades that Senate work stopped because the presiding officer himself refused to work, because even during typhoons and the height of the pandemic, work was suspended only because of necessity or because systems still had to be set up, not because the leadership chose a boycott of duty.

SEN. TULFO, NAGREKLAMO MATAPOS SARHAN NG KURYENTE AT INTERNET SA SESSION HALL

Ibinahagi ni Senador Raffy Tulfo na sinarhan umano silang mga miyembro ng minority bloc ng aircon at internet sa loob ng plenary nitong June 1, 2026.

Nangyari umano ito habang naghihintay sila na dumating ang mga miyembro ng majority upang makapag-umpisa na ang sesyon.

Matatandaang hindi dumalo ang mga miyembro ng majority sa sesyon dahil sa nangyaring paghuli kay Sen. Jinggoy Estrada.

"Ganoon ba kababaw 'yung mga nangyari sa Senate? Eh sa ngayon, dapang-dapa na ang Senado sa imahe," ani Tulfo.

"Lahat kami, 11, nandoon kami sa floor... Naghintay kami, after more than an hour, all of a sudden biglang uminit... Lahat kami nainitan na, 'yun pala pinatayan kami. And then gusto naming gamitin 'yung internet, pinatayan na rin," dagdag pa niya.
